

WILLIAM JEWELL COLLEGE

BSN-AT May Start

Required Curriculum for the Bachelor of Science in Nursing – **May Accelerated Track (BSN-AT)**

A course of study for individuals with a BA or BS degree, who upon completion of the 12-month program, will earn a Bachelor of Science in Nursing

ADMISSION REQUIREMENTS

- A cumulative Grade Point Average of 2.8 or higher
- Grade of B- or better in all prerequisite courses
- A BA or BS (or higher) degree from an accredited institution
- A written summary of any community, volunteer or health-related experience
- Completion of the Kaplan Nursing Admission Examination administered by the Department of Nursing, or submission of TEAS-V Assessment score (fee involved)
- Separate and official college transcripts from all colleges attended
- Completed application to William Jewell College
- One letter of recommendation (academic or professional) that address the candidate's character and ability to complete an intensive course of study (with signature)
- An interview with members of the Department of Nursing
- Selection is competitive and candidates are considered on the basis of GPA, completed prerequisites, academic skills test, interview, letters of recommendation, and healthcare and volunteer experience
- Criminal background check and drug screen

Licensure, Background Checks and Drug Screening: In order to comply with terms of affiliating agreements with William Jewell College and clinical agencies, any student who has contact with patients (or residents) must disclose any criminal convictions and agree to be subject to criminal background check and drug screening by state or private investigative agencies. Please see the Nursing Program website for the background check and drug screen policies. Additionally, state certification, registration and/or licensing applications may require such disclosure. Nursing program applicants should be aware that the Missouri State Board of Nursing may refuse to issue a license for specific reasons related to moral turpitude, intemperate use of alcohol or drugs, or conviction of a crime. Admission to and graduation from the nursing program does not ensure eligibility for state licensure. Any candidate for licensure who has been charged or convicted of a misdemeanor or a felony will be required to submit documentation of the court proceedings for that charge or conviction to the State Board of Nursing of the state in which the licensure is sought. The Missouri State Board of Nursing determines who is eligible to take the licensing examination. Questions may be directed to the Missouri State Board of Nursing, 3650 Missouri Blvd, Jefferson City, MO 65102 (573-751-0080). For additional information, see www.pr.mo.gov/nursing.asp.

PREREQUISITES

Intro to Psychology	Intro to Microbiology with a lab
Nutrition	Human Anatomy with a lab
Human Pathophysiology	Human Physiology with a lab
Fundamentals of Chemistry with a lab	

COURSE OF STUDY

Summer I (beginning mid-May)

NUR 232	Physical Examination and Health Assessment*	2 credits
NUR 242	Pharmacology	3 credits
NUR 250	Fundamentals of Nursing and Health Care***	4 credits
		9 credits

Fall Semester (beginning mid – end of August)

NUR 402	Concepts & Techniques II*	1 credit
NUR 412	Psychiatric / Mental Health Nursing**	4 credits
