 - a. Csm coffeehouse money request- Joel Bryce- I am leading the coffeehouse which is simply a creative artistic outlet for students, or an avenue for students to relax once a month, drink coffee, listen to music, etc. I'm here to petition for funds, about 500 dollars which is what senate has given in the past years- I need the money because bands cost money, transportation, coffee, supplies, decorations, that sort of thing. Questions? Jill Sladek- Would students pay for coffee as well? Joel- No I'd like it to be a free event Johnny Fugitt- are you paying outside people to come in? Joel- Some outside musicians will come, but some will also be campus artists. Colin Chambers- In the past the coffeehouse has been in the cage and the cage has been open to eat- could food services be involved? Joel- No they said they couldn't take on any more projects so there will be no collegiate catering at the coffeehouse. Callen Banes- Do you have a plan to let the students know it's not just for Christians anymore? Joel- basically just a lot of advertisement/word of mouth. How many students have attended in the past? Joel- Just a few- I'd like to change the advertisement to attract more students. Tim Perkins- I move to give coffeehouse 500 dollars Chelsie Caldwell- second. for-12 against-1 motion carries.
