Facilitated by Todd Long - Director of Leadership Training and Development
and Mary B. Lucas, BD - Author, Speaker, Coach, & Philanthropist

This workshop combines the Butcher's (John Bichelmeyer) Wisdom from the bestselling book "Lunchmeat & Life Lessons: Sharing a Butcher's Wisdom" by Mary B. Lucas with foundational tools of leadership developed by The Pryor Center for Leadership Development. Through this engaging and interactive workshop you will discover your personal leadership impression and how to create a healthy environment of accountability in order to lead with lasting impact.
