

The William Jewell Cross Country teams ran at Lake Olathe Oct. 20, 2007 in the HAAC XC Championships. The Teams ran well on a very hot and very windy day and the Women placed 6th out of 11 teams and the men placed 7th. **We had two All-Conference runners on the All-Conference team-Jennifer Ghidoni(Sr.) and Michaela Taylor(Jr.)** and the women's team did not run their #1 runner, because she just was released from the hospital 2 days before race. The women would have moved way up in the team standing if she could have run. The men ran well and fought hard to place as high as they could in the team standings. The HAAC is a very tough conference with many National ranked teams and runners. This is the first time in many years we have had two female All-Conference runners. Both teams will try and improve on their placing at the NAIA Region-V Championships on Nov. 3, 2007 at Graceland.

Lindenwood won the Men's Title and Mid-America won the Women's Title
