Ground will be broken for the newest Habitat for Humanity home at 11:30 AM, June 22, 2005 at Missouri & Pine

The cost of the home is being underwritten by Liberty Savings Bank. Brent Giles, President and Chief Executive Officer said, "This year we will celebrate 50 years of outstanding support from our customers by making our most significant financial contribution yet, a financial and time commitment to Habitat for Humanity that will provide a new home for a deserving family."

Sophomores will donate their time and effort throughout the school year to help build the home. 2005-06 will be the first year of this annual commitment from the William Jewell sophomores to Habitat for Humanity.

This Habitat for Humanity home will be dedicated to John and Mary Pritchard. The Pritchards founded Habitat for Humanity Kansas City in 1979. Additionally, Mr. Pritchard was a founding member of Liberty Savings Bank's Board of Directors.
