

Recruiter Events for Students

Recruiters visit campus to interview students for entry-level positions, internships, part-time, and summer positions. The Recruiter Calendar, released shortly after each semester begins, is updated during the semester as scheduled. Students must be registered with resume in Career Services prior to signing up. Students sign up for interviews through [e Recruiting](#). Mock Interviews are also available throughout both semesters. Scheduling is facilitated by Judy Rychlewski, Director.

Up-Coming Recruiter Events:

Nursing Employment Fair – Nurse recruiters discuss employment opportunities with prospective nurses at booths on November 7th.

COSMC-Heart of America Interview Day – Co-sponsored by ten KC area colleges, interviews are held on February 28th at Baker University's Overland Park Campus to enable employers to interview targeted candidates from the combined institutions. Registration for spring is requested through the MO Western website by mid-January.

Public Service and Nonprofit Career Fair – Sponsored by several WJC departments. This fair features agencies from government and nonprofit organizations offering infomercials and one-on-one contacts in a booth format to recruit candidates following the presentation. This event will be held February 14th.

Health Professions Career Day – Representatives of medical and allied medical programs discuss entrance requirements and uniqueness of their programs with prospective students. This event is coordinated by the pre-med committee and will be offered in February.

Teacher Fair – School personnel administrators conduct short screening interviews with teacher candidates. Coordinated by the Education Department, this fair will take place on March 8th.

Transitions in Tight Times – Recruiters lead break-out sessions on a variety of topics relevant to transitioning from college in an economic downturn. This program is held on March 22nd.

Etiquette/Networking Dinner – Sponsored by four area colleges and universities and underwritten by corporate sponsorship, this event is designed to equip students with the knowledge, skills and confidence they will need in business and social settings. The dinner is to be announced in the spring semester.
