STATEMENT OF FINANCIAL AID ELIGIBILITY (TO BE DETERMINED BY THE OFFICE OF FINANCIAL AID)

Financial aid resources are limited for summer assistance because many students apply their maximum grant and loan eligibility to the fall and spring semesters; however, Federal Work Study may be applicable. Students who have completed a 2009-2010 FAFSA will be evaluated to determine if federal eligibility remains. Private loans are available to students who wish to pursue financing for their education. Parent Loans may also be pursued if the student is enrolled in six (6) credit hours or more.

Students who are not eligible for financial assistance must pay the balance in full with the William Jewell College Cashier prior to the first day of classes. The summer school tuition rate is \$375 per credit hour.

You must be enrolled before the Office of Financial Aid and Scholarship Services will review and prepare a financial aid award for the 2010 summer term.
