DEFINITIONS

As used throughout the Policy, the following terms shall have the meanings indicated below. Other parts of the Policy contain definitions specific to those provisions.

ACTIVE WORK or **ACTIVELY AT WORK** means an Employee's full-time performance of all Main Duties of his or her Own Occupation, for the regularly scheduled number of hours, at:

1. the Employer's usual place of business; or
2. any other business location where the Employer requires the Employee to travel.

Unless disabled on the prior workday or on the day of absence, an Employee will be considered Actively at Work on the following days:

1. a Saturday, Sunday or holiday that is not a scheduled workday;
2. a paid vacation day or other scheduled or unscheduled non-workday; or
3. a non-medical leave of absence of 12 weeks or less, whether taken with the Employer's prior approval or on an emergency basis.

This includes a Military Leave or an approved Family or Medical Leave that is **not** due to the Employee's own health condition.

ANNUAL SALARY means the Insured Employee's **BASIC MONTHLY EARNINGS** or **PREDISABILITY INCOME** multiplied by 12.

BASIC MONTHLY EARNINGS or **PREDISABILITY INCOME** means the Insured Employee's average monthly base salary or hourly pay from the Employer before taxes on the Determination Date. The "**Determination Date**" is the last day worked just prior to the date the Disability begins.

It does **not** include commissions, bonuses, overtime pay, or any other extra compensation. It does **not** include income from a source other than the Employer. It will not exceed the amount shown in the Employer's financial records, the amount for which premium has been paid, or the Maximum Covered Monthly Earnings permitted by the Policy; whichever is less. (Maximum Covered Monthly Earnings equals the Maximum Monthly Benefit divided by the Benefit Percentage shown in the Schedule of Benefits.) Exception: For purposes of determining the Partial Disability Monthly Benefit, Basic Monthly Earnings will not exceed the amount shown in the Employer's financial records.

COMPANY means The Lincoln National Life Insurance Company, an Indiana corporation. Its Group Insurance Service Office address is 8801 Indian Hills Drive, Omaha, Nebraska 68114-4066.

DAY or **DATE** means the period of time that begins at 12:01 a.m. and ends at 12:00 midnight, standard time, at the Policyholder's place of business. When used with regard to effective dates, it means 12:01 a.m. When used with regard to termination dates, it means 12:00 midnight.

DISABILITY or **DISABLED** means Total Disability or Partial Disability.

DISABILITY BENEFIT, when used with the term Retirement Plan, means a benefit that:

1. is payable under a Retirement Plan due to disability as defined in that plan; and
2. does not reduce the benefits that would have been paid as Retirement Benefits at the normal retirement age under the plan if the disability had not occurred.

If the payment of the benefit does cause such a reduction, the benefit will be deemed a Retirement Benefit as defined in the Policy.

DEFINITIONS (Continued)

ELIMINATION PERIOD means the number of days of Disability during which no benefit is payable. The Elimination Period is shown in the Schedule of Benefits. It applies as follows.

1. The Elimination Period:
 - a. begins on the first day of Disability; and
 - b. is satisfied when the required number of days is accumulated within a period which does not exceed two times the Elimination Period.During a period of Disability, the Insured Employee may return to full-time work, at his or her own or any other occupation, for an accumulated number of days not to exceed the Elimination Period.
2. Only days of Disability caused by the same or a related Sickness or Injury will count towards the Elimination Period. Days on which the Insured Employee returns to full-time work will not count towards the Elimination Period.

EMPLOYEE or FULL-TIME EMPLOYEE means a person:

1. whose employment with the Employer is the person's main occupation;
2. whose employment is for regular wage or salary;
3. who is regularly scheduled to work at such occupation at least the Minimum Hours shown in the Schedule of Benefits;
4. who is a member of an Eligible Class which is eligible for coverage under the Policy;
5. who is not a temporary or seasonal employee; and
6. who is a citizen of the United States or legally works in the United States.

EMPLOYER means the Policyholder. It includes any division, subsidiary or affiliated company named in the Application or Participation Agreement.

EVIDENCE OF INSURABILITY means a statement of proof of an Employee's medical history. The Company uses this to determine his or her acceptance for insurance or an increased amount of insurance. Such proof will be provided at the Employee's own expense.

FAMILY OR MEDICAL LEAVE means an approved leave of absence that:

1. is subject to the federal FMLA law (the Family and Medical Leave Act of 1993 and any amendments to it) or a similar state law;
2. is taken in accord with the Employer's leave policy and the law which applies; and
3. does not exceed the period approved by the Employer and required by that law.

Under the federal FMLA law, such leaves are permitted for up to 12 weeks in a 12-month period, as defined by the Employer. The 12 weeks:

1. may consist of consecutive or intermittent work days; or
2. may be granted on a part-time equivalency basis.

If an Employee is entitled to a leave under both the federal FMLA law and a similar state law, he or she may elect the more favorable leave (but not both). If an Employee is on an FMLA leave due to his or her own health condition on the date Policy coverage takes effect, he or she is not considered Actively at Work.

FULL-TIME, as it applies to the Partial Disability Monthly Benefit, means the average number of hours the Insured Employee was regularly scheduled to work, at his or her Own Occupation, during the month just prior to:

1. the date the Elimination Period begins; or
2. the date an approved leave of absence begins, if the Elimination Period begins while the Insured Employee is continuing coverage during a leave of absence.

MAIN DUTIES or MATERIAL AND SUBSTANTIAL DUTIES means those job tasks that:

1. are normally required to perform the Insured Employee's Own Occupation; and
2. could not reasonably be modified or omitted.

To determine whether a job task could reasonably be modified or omitted, the Company will apply the Americans with Disabilities Act's standards concerning reasonable accommodation. It will apply the Act's standards, whether or not:

1. the Employer is subject to the Act; or
2. the Insured Employee has requested such a job accommodation.

An Employer's failure to modify or omit other job tasks does **not** render the Insured Employee unable to perform the Main Duties of the job.

Main Duties include those job tasks:

1. as described in the U.S. Department of Labor Dictionary of Occupational Titles; and
2. as performed in the general labor market and national economy.

Main Duties are **not** limited to those specific job tasks as performed for a certain firm or at a certain work site.

It means a collective description of related jobs, as defined by the U.S. Department of Labor Dictionary of Occupational Titles. It includes any work in the same occupation for pay or profit, regardless of:

1. whether such work is with the Employer, with some other firm, or on a self-employed basis; or
2. whether a suitable opening is currently available with the Employer or in the local labor market.

OWN OCCUPATION PERIOD means a period as shown in the Schedule of Benefits.

DEFINITIONS (Continued)

PARTIAL DISABILITY or **PARTIALLY DISABLED** will be defined as follows.

1. During the Elimination Period and Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee:
 - a. is unable to perform one or more of the Main Duties of his or her Own Occupation; or is unable to perform such duties full-time; and
 - b. is engaged in Partial Disability Employment.
2. After the Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee:
 - a. is unable to perform one or more of the Main Duties of any occupation which his or her training, education or experience will reasonably allow; or is unable to perform such duties full-time; and
 - b. is engaged in Partial Disability Employment.

PARTIAL DISABILITY EMPLOYMENT means the Insured Employee is working at his or her Own Occupation or any other occupation; however, because of a Partial Disability:

1. the Insured Employee's hours or production is reduced;
2. one or more Main Duties of the job are reassigned; or
3. the Insured Employee is working in a lower-paid occupation.

During Partial Disability Employment, his or her current earnings:

1. must be at least 20% of Predisability Income; and

The medical doctor or other medical practitioner must be acting within the scope of his or her license. He or she must be qualified to provide Medically Appropriate Treatment for the Insured Employee's disabling condition.

Physician does **not** include the Insured Employee or a relative of the Insured Employee receiving treatment. Relatives include:

1. the Insured Employee's spouse, siblings, parents, children and grandparents; and
2. his or her spouse's relatives of like degree.

POLICY means this group insurance Policy issued by the Company to the Policyholder.

POLICYHOLDER means the person, company, trust or other organization as shown on the Face Page of the Policy.

PREDISABILITY INCOME—See Basic Monthly Earnings definition.

REGULAR CARE OF A PHYSICIAN or **REGULAR ATTENDANCE OF A PHYSICIAN** means the Insured Employee:

1. personally visits a Physician, as often as medically required according to standard medical practice to effectively manage and treat his or her disabling condition; and
2. receives Medically Appropriate Treatment, by a Physician whose license and any specialty are consistent with the disabling condition.

Such care will be deemed medically necessary until the attending Physician certifies in writing that the Insured Employee has reached his or her maximum point of recovery and that further treatment would be useless.

REGULAR OCCUPATION—See Own Occupation or Regular Occupation definition.

DEFINITIONS (Continued)

RETIREMENT BENEFIT, when used with the term Retirement Plan, means a benefit that:

1. is payable under a Retirement Plan either in a lump sum or in the form of periodic payments;
2. does not represent contributions made by an Insured Employee (Payments representing Employee contributions are deemed to be received over the Insured Employee's expected remaining life, regardless of when they are actually received.); and
3. is payable upon:
 - a. early or normal retirement; or
 - b. disability (if the payment does reduce the benefit which would have been paid at the normal retirement age under the plan, if disability had not occurred).

RETIREMENT PLAN means a defined benefit or defined contribution plan that:

1. provides Retirement Benefits to Employees; and
2. is not funded wholly by Employee contributions.

The term shall **not** include any 401(k), profit-sharing or thrift plan; informal salary continuance plan; individual retirement account (IRA); tax sheltered annuity (TSA); stock ownership plan; or a non-qualified plan of deferred compensation.

An Employer's Retirement Plan is deemed to include any Retirement Plan:

1. which is part of any federal, state, county, municipal or association retirement system; and
2. for which the Insured Employee is eligible as a result of employment with the Employer.

SICK LEAVE or **SALARY CONTINUANCE PLAN** means a plan that:

1. is established and maintained by the Employer for the benefit of Employees; and
2. continues payment of all or part of an Insured Employee's Predisability Income for a specified period after he or she becomes Disabled.

It does **not** include compensation the Employer pays an Insured Employee for work actually performed during a Disability.

SICKNESS means illness, pregnancy or disease.

TOTAL COVERED PAYROLL means the total amount of Basic Monthly Earnings for all Employees insured under the Policy.

TOTAL DISABILITY or **TOTALLY DISABLED** will be defined as follows.

1. During the Elimination Period and Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee is unable to perform each of the Main Duties of his or her Own Occupation.
2. After the Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee is unable to perform each of the Main Duties of any occupation which his or her training, education or experience will reasonably allow.

The loss of a professional license, an occupational license or certification, or a driver's license for any reason does **not**, by itself, constitute Total Disability.

WAITING PERIOD means the period of time an Employee must be employed in an eligible class with the Employer, before he or she becomes eligible to enroll for coverage under the Policy. The period of service must be continuous, except as explained in the Eligibility provision captioned Prior Service Credit Towards Waiting Period.

CLAIMS PROCEDURES

NOTICE OF CLAIM. Written notice of claim must be given within 20 days after the loss occurs, or by the end of the Elimination Period, if later. The notice must be sent to the Company's Group Insurance Service Office. It should include:

1. the Insured Employee's name and address; and
2. the number of the Policy.

If this is not possible, written notice must be given as soon as it is reasonably possible.

CLAIM FORMS. When notice of claim is received, the Company will send claim forms to the Insured Employee. If the Company does not send the forms within 15 days, the Insured Employee shall be deemed to have complied with the requirements of the Policy as to proof of loss upon submitting, within the time fixed in the Policy for filing proof of loss, written proof covering the occurrence, character, and extent of the loss for which claim is made. The Company will periodically send the Insured Employee additional claim forms.

PROOF OF CLAIM. The Company must be given written proof of claim within 90 days after the end of the Elimination Period. When it is not reasonably possible to give written proof in the time required, the claim will not be reduced or denied solely for this reason, if the proof is filed:

1. as soon as reasonably possible; and
2. in no event later than one year after it was required.

These time limits will not apply while an Insured Employee lacks legal capacity.

Proof of claim must be provided at the Insured Employee's own expense. It must show the date the Disability began, its cause and degree. Documentation must include:

1. completed statements by the Insured Employee and the Employer;
2. a completed statement by the attending Physician, which must describe any restrictions on the Insured Employee's performance of the duties of his or her Regular Occupation;
3. proof of any other income received;
4. proof of any benefits available from other income sources, which may affect Policy benefits;
5. a signed authorization for the Company to obtain more information; and
6. any other items the Company may reasonably require in support of the claim.

Proof of continued Disability, Regular Care of a Physician, and any Other Income Benefits affecting the claim must be given to the Company. This must be supplied within 45 days after the Company requests it. If it is not, benefits may be denied or suspended.

EXAMINATION. The Company may have the Insured Employee examined:

1. by a Physician, specialist or vocational rehabilitation expert of the Company's choice;
2. as often as reasonably required while a claim or appeal is pending.

Any such exam will be at the Company's expense.

The Company may determine that (in its opinion) the Insured Employee has:

1. failed to cooperate with an examiner;
2. failed to take an exam scheduled by the Company; or
3. postponed such an exam more than twice.

In that event, benefits may be denied or suspended, until the required exam is completed.

TIME OF PAYMENT OF CLAIMS. Benefits payable under the Policy will be paid immediately after the Company receives complete proof of claim and confirms liability. After that:

1. Any benefits will be paid monthly, during any period for which the Company is liable. If benefits are due for less than a month, they will be paid on a pro rata basis. The daily rate will equal 1/30 of the Monthly Benefit.
2. Any balance, which remains unpaid at the end of the period of liability, will be paid immediately after the Company receives complete proof of claim and confirms liability.

CLAIMS PROCEDURES
(Continued)

TO WHOM PAYABLE. All benefits are payable to the Insured Employee, while living. After his or her death, benefits will be payable as follows.

1. Any Survivor Benefit will be payable in accord with that section.
2. Any other benefits will be payable to the Insured Employee's estate.

If a benefit becomes payable to:

1. the Insured Employee's estate; or
2. a minor or any other person who is not legally competent to give a valid receipt;

then up to \$2,000 may be paid to any relative of the Insured Employee that the Company finds entitled to payment. If payment is made in good faith to such a relative, the Company will not have to pay that benefit again.

NOTICE OF CLAIM DECISION. The Company will send the Insured Employee a written notice of its claim decision. If the Company denies any part of the claim, the written notice will explain:

1. the reason for the denial, under the terms of the Policy and any internal guidelines;
2. how the Insured Employee may request a review of the Company's decision; and
3. whether more information is needed to support the claim.

This notice will be sent:

- (1) within 15 days after the Company resolves the claim;
- (2) within 30 days after the Company receives acceptable proof of claim; and
- (3) within 45 days after the Company receives the first proof of claim, if reasonably possible.

Delay Notice. The Company may need more than 15 days to process the claim, due to matters beyond its control. If so, an extension will be permitted. In that event, the Company will send the Insured Employee a written delay notice:

1. by the 15th day after receiving the first proof of claim; and
2. every 30 days after that, until the claim is resolved.

The notice will explain:

1. what additional information is needed to determine liability; and
2. when a decision can be expected.

If the Insured Employee does not receive a written decision by the 105th day after the Company receives the first proof of claim, there is a right to an immediate review, as if the claim was denied.

Exception: The Company may need more information from the Insured Employee to process a claim. If so, it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for claim processing.

REVIEW PROCEDURE. Within 180 days after receiving a denial notice, the Insured Employee may request a claim review by sending the Company:

1. a written request; and
2. any written comments or other items to support the claim.

The Insured Employee may review certain non-privileged information relating to the request for review.

The Company will review the claim and send the Insured Employee a written notice of its decision. The notice will state the reasons for the Company's decision, under the terms of the Policy and any internal guidelines. If the Company upholds the denial of all or part of the claim, the notice will also describe:

1. any further appeal procedures available under the Policy;
2. the right to access relevant claim information; and
3. the right to request a state insurance department review, or to bring legal action.

This notice will be sent within 45 days after the Company receives the request for review, or within 90 days if a special case requires more time.

CLAIMS PROCEDURES
(Continued)

Delay Notice. If the Company needs more than 45 days to process an appeal, in a special case:

1. an extension of up to 45 more days will be permitted; and
2. the Company will send the Insured Employee a written delay notice, by the 30th day after receiving the request for review.

The notice will explain:

1. the special circumstances which require the delay;
2. whether more information is needed to review the claim; and
3. when a decision can be expected.

Exception: The Company may need more information from the Insured Employee to process an appeal. If so, it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for appeal processing.

Claims Subject to ERISA (Employee Retirement Income Security Act of 1974). Before bringing a civil legal action under the federal labor law known as ERISA, an employee benefit plan participant or beneficiary must exhaust available administrative remedies. Under the Policy, the plan participant or beneficiary must first seek two administrative reviews of the adverse claim decision, in accord with this section. After the required reviews:

1. an ERISA plan participant or beneficiary may bring legal action under Section 502(a) of ERISA; and
2. the Company will waive any right to assert that he or she failed to exhaust administrative remedies.

RIGHT OF RECOVERY. If benefits have been overpaid on any short-term disability or long-term disability claim, full reimbursement to the Company is required within 60 days. If reimbursement is not made, the Company has the right to:

1. reduce future benefits and suspend payment of the Minimum Monthly Benefit under the Policy, until full reimbursement is made;
2. reduce benefits payable to the Insured Employee or his or her beneficiary under any group insurance policy issued by the Company, until full reimbursement is made; or
3. recover such overpayments from the Insured Employee or his or her estate.

Such reimbursement is required whether the overpayment is due to:

1. the Company's error in processing a claim;
2. the Insured Employee's receipt of Other Income Benefits;
3. fraud, misrepresentation or omission of relevant facts; or
4. any other reason.

LEGAL ACTIONS. No legal action to recover any benefits may be brought until 60 days after the required written proof of claim has been given. No such legal action may be brought more than three years after the date written proof of claim is required.

ELIGIBILITY

ELIGIBLE CLASSES. The classes of Employees eligible for insurance are shown in the Schedule of Benefits. The Company has the right to review and terminate any or all classes eligible under the Policy, if any class ceases to be covered by the Policy.

ELIGIBILITY DATE. An Employee becomes eligible for coverage provided by the Policy on the later of:

1. the Policy's date of issue; or
2. the date the Waiting Period is completed.

Prior Service Credit Towards Waiting Period. The Waiting Period is shown in the Schedule of Benefits. Prior service in an Eligible Class will apply toward the Waiting Period, when:

1. a former Employee is rehired within one year after his or her employment ends; or
2. an Employee returns from an approved Family or Medical Leave within:
 - a. the 12-week leave period required by federal law; or

To reinstate coverage, the Employee must apply for coverage or be re-enrolled within 31 days after resuming Active Work in an Eligible Class. The reinstated amount of insurance may not exceed the amount that terminated. Reinstatement will take effect on the date the Insured Employee returns to Active Work.

If the above conditions are met, then:

1. the months of leave will count towards any unmet Pre-Existing Condition Exclusion period; and

CONTINUATION RIGHTS. Ceasing Active Work results in termination of the Insured Employee's eligibility for insurance, but coverage may be continued as follows.

1. **Disability.** If an Insured Employee is absent due to Total Disability, or is engaged in Partial Disability Employment, coverage may be continued during:
 - a. the Elimination Period; provided the Company receives the required premium from the Employer; and

RULES FOR OTHER INCOME BENEFIT OFFSETS. If the Insured Employee may be entitled to Other Income Benefits that affect Policy benefits, the following rules will apply.

Claiming Other Income Benefits. An Insured Employee who may be entitled to some Other Income Benefit is required to actively pursue it. For example, if benefits may be payable under the federal Social Security Act, the Insured Employee:

1. must apply for such benefits on a timely basis;
2. must file a request for reconsideration, if benefits are denied; and
3. must request a hearing before an Administrative Law Judge, if denied again (unless the Company waives this in writing).

An Employer whose Insured Employee may be entitled to Workers' Compensation or similar benefits is also required to cooperate in filing that claim. If the Insured Employee fails to pursue Other Income Benefits on a timely basis, the Company has the option to:

1. deny or suspend Monthly Benefits; or
2. reduce Monthly Benefits by an estimated amount.

OTHER INCOME BENEFITS
(Continued)

Estimating Offsets. While a claim for Social Security or other Government Retirement Plan benefits is pending, the Insured Employee must elect one of the following options in writing. (If no written election is made, Monthly Benefits will be reduced in accord with Option 1.)

1. **Reduced Monthly Benefits.** The Insured Employee may receive Monthly Benefits reduced by estimated Social Security or other Government Retirement Plan benefits. The Company will adjust Policy benefits and will refund any underpayment, in a lump sum, upon receiving proof of:
 - a. the amount actually awarded; or
 - b. the claim denial and completion of any appeal the Company requires.

2. **Unreduced Monthly Benefits.** The Insured Employee may receive unreduced Monthly Benefits while the claim is pending. He or she must agree in writing to promptly refund any overpayment that results, in a lump sum, upon receiving Social Security or other Government Retirement Plan benefits. If he or she does not promptly refund an overpayment:
 - a. the Company will reduce or eliminate future payments; and
 - b. the Minimum Monthly Benefit will not apply, until the amount is repaid.

Lump Sum Payments. Other Income Benefits that are paid in a lump sum will be pro rated as follows.

1. The lump sum will be pro rated on a monthly basis, over the time period for which it is given.
2. If no time period is stated, the Company will continue its estimated monthly offset for that benefit, until full amount is offset.
3. If no estimated monthly offset was being made for that benefit, the lump sum will be pro rated on a monthly basis over a reasonable time period. It will not exceed 60 months or the Maximum Benefit Period (whichever occurs first).

Cost-of-Living Freeze. After the first deduction for each of the Other Income Benefits (except Earnings), its amount will be frozen. The Monthly Benefit will not be further reduced due to any cost-of-living increases payable under these Other Income Benefits.

RECURRENT DISABILITY

"Recurrent Disability" means a Disability caused by an Injury or Sickness that is the same as, or related to, the cause of a prior Disability for which Monthly Benefits were payable. A Recurrent Disability will be treated as follows.

1. **New Disability.** A Recurrent Disability will be treated as a new Disability, if the Recurrent Disability begins after the Insured Employee returns to his or her Own Occupation with the Employer:
 - a. on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits; and
 - b. for six consecutive months or more following the date the prior Disability benefits ended.

A new Elimination Period must be completed before further Monthly Benefits become payable. A new Maximum Benefit Period will apply.

2. **Prior Disability.** A Recurrent Disability will be treated as part of the prior Disability, if the Recurrent Disability begins after the Insured Employee returns to his or her Own Occupation with the Employer:
 - a. on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits; but
 - b. for less than six consecutive months following the date the prior Disability benefits ended.

The completion of a new Elimination Period is not required before further Monthly Benefits become payable. The same Maximum Benefit Period will apply to the Recurrent Disability as to the prior Disability. The Predisability Income used in determining the prior Disability benefit will apply as well.

In addition, a Recurrent Disability will be treated as a prior Disability if all of the subsequent events occur in less than six consecutive months following the date the prior Disability benefits end under the Policy:

- a. a job opening is not available for the Insured Employee to return to work with the Employer;
- b. the Insured Employee's coverage under the Policy terminates;
- c. the former Employee returns to his or her Own Occupation with a new employer on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits;
- d. benefits are not payable under any other group long-term disability plan; and
- e. a Recurrent Disability begins.

Benefits for the former Employee will be reinstated for the Recurrent Disability and the completion of a new Elimination Period will not be required before further Monthly Benefits become payable. The same Maximum Benefit Period, Exclusions, and Limitations will apply to the Recurrent Disability as to the prior Disability. The Predisability Income used in determining the prior Disability benefit will apply as well. Benefits reinstated under this provision are subject to the Policy's terms and conditions that were in effect at the time the prior Disability began.

To qualify for a Monthly Benefit, the Insured Employee or former Employee must earn less than the percentage of Predisability Income specified in the Partial Disability Monthly Benefit section. Monthly Benefit payments will be subject to all other terms of the Policy that applied to the prior Disability.

This Recurrent Disability provision will cease to apply to an Insured Employee or former Employee who becomes eligible for coverage under any other group long-term disability plan.

PROGRESSIVE INCOME BENEFIT

EFFECTIVE DATE. An Insured Employee will become insured for the Progressive Income Benefit on:

1. the effective date of his or her coverage for Long Term Disability Benefits under the Policy; or

NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE LIFE AND
HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of Missouri who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state, to write these types of insurance are members of the Missouri Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And as noted below this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Missouri Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Missouri. You should not rely on coverage by the Missouri Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy. Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy. **YOU MAY CONTACT EITHER THE ASSOCIATION OR THE MISSOURI DEPARTMENT OF INSURANCE AT THE FOLLOWING ADDRESSES SHOULD YOU HAVE ANY QUESTIONS REGARDING THIS NOTICE.**

The state law that provides for this safety-net coverage is called the Missouri Life and Health Insurance Guaranty Association Act. Included is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

Generally, persons will be protected by the Life and Health Insurance Guaranty Association if they live in this state, and hold a life or health insurance contract, or an annuity, or a certificate under a group policy or contract. However, not all individuals with a right to recover under life or health insurance policies or annuities are protected by the Act. A person is not protected when:

1. The person is eligible for protection under the laws of another state;
2. The person purchased the insurance from a company that was not authorized to do business in this state;
3. The policy is issued by an organization which is not a member insurer of the association; or
4. The person does not live in this state, except under limited circumstances.

Additionally, the Association may not provide coverage for the entire amount a person expects to receive from the policy. The Association does not provide coverage for any portion of the policy where the person has assumed the risk, for any policy of reinsurance (unless an assumption certificate was issued), for interest rates that exceed a specified average rate, for employers' plans that are self-funded, for parts of plans that provide dividends or credits in connection with the administration of policy, or for unallocated annuity contracts (which are generally issued to pension plan trustees).

The Act also limits the amount the Association is obligated to pay persons on various policies. The Association does not pay more than the contractual obligation of the insurance company. The Association does not have to pay more than three hundred thousand dollars (\$300,000) in death benefits for any one life regardless of the number of policies that insure that life. The Association does not have to pay amounts over one hundred thousand dollars (\$100,000) in cash surrender or withdrawal benefits on one life regardless of the number of policies insuring that individual. For health insurance benefits, the Association is not obligated to pay over one hundred thousand dollars (\$100,000) including net cash surrender and withdrawal benefits. On an annuity contract, the Association is not liable for over one hundred thousand dollars (\$100,000) in present value. Finally, the Association is never obligated to pay more than a total of three hundred thousand dollars (\$300,000) for any one insured for any combination of insurance benefits.

Statement of ERISA Rights

The following statement of ERISA rights is required by federal law and regulation. As a participant in this plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits. Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work sites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series), if any, filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Pension and Welfare Benefit Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), if any, and updated summary plan description. The administrator may make a reasonable charge for copies.

Receive a summary of the plan's annual financial report if the plan covers 100 or more participants. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries. In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights. If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions. If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Pension and Welfare Benefits Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.
