Dear Students, Alumni and Friends of the College,

It's time once again to return to The Hill and lace up your running shoes! We would like to invite you to run in the 2nd Annual Homecoming 5K Run and 1 Mile Walk. This is a fund raising event coordinated with Jewell's Cross Country Team and Clay County CASA. A portion of your entry fee will be donated to CASA.

There will be a couple of changes this year. First, we're excited to announce that Jewell's cross country teams will be competing before your race! Also, we've made registration available online! Participants will receive a t-shirt. After the race you can head to Greene Stadium for the Homecoming Football game to cheer on the Cards as they face Missouri Valley College.

CASA Mission Statement

Community volunteers appointed by the Court to advocate in the best interest of abused/neglected children in Clay County, Missouri and affirm their right to a safe and permanent home.

CASA Overview

Every year more than half a million abused and neglected children are in need of safe, permanent, nurturing homes. That's where CASA steps in. CASA (Court Appointed Special Advocates) was created in 1977 to make sure the abuse and neglect these children originally suffered at home doesn't continue as abuse and neglect at the hands of the system. As trained advocates, CASA volunteers are appointed by judges to be a voice for these children in court. The result is that a child is placed into a safe, loving home where he/she can thrive. It is the CASA vision to provide a volunteer for each and every abused and neglected child who needs one.
