

## Employee Vaccination Exemption

For the 2021-2022 academic year, William Jewell College will require its employees to vaccinate against the COVID-19 virus as a matter of public health to assist the College in its return to business and operations. Employees who are unable to accept the vaccination, may indicate so by acknowledging all statements and verifications herein.

### Statement of Exemption

For personal or religious beliefs or specific medical condition or disability, I hereby oppose immunization to COVID-19 and accept individual accountability and responsibility for the safety of myself and the Jewell community through alternative methods of health and well-being. I understand that in the event of an increased incidence rate on campus or in the local jurisdiction (as defined by state public health authorities) and in the interest of well-being, I may be asked to work remotely or take additional safety precautions until the incidence rate has returned to acceptable levels per institutional protocols.

### Required Verifications

I grant permission to the staff at the Student Health Center, Campus Safety or Human Resources at William Jewell College to contact me and refer me to care in the case of exposure or risk of transmission of COVID-19.

I agree to notify the Student Health Center of any positive COVID-19 test and begin immediate isolation unless otherwise directed by the Student Health Center.
