The **Doniphan Leadership Institute** develops leaders for the Greater Kansas City area and generates an environment for vision, community transformation, and unity. Doniphan Leadership Institute Fellows are the leaders and visionaries of a dynamic and vibrant Greater Kansas City metropolitan area and business community.

This exclusive program is a six-month executive training program focused on leadership development and vision. Key elements of the program include leadership development theory, 360-Degree Feedback Assessment with consultation, in-depth group discussions, and experiential learning activities. The program also features personal interaction with leaders focusing on vision and executive leadership. Professors and professionals with specialized skills and backgrounds deliver the program to the participants.

The Doniphan Leadership Institute creates a visionary leader by providing the highest quality of facilitators, information, and guest lecturers. The participants of the Doniphan Leadership Institute are challenged to see beyond their current vision to: see into the broader community and to create a vision for "the greater good."

Program Focus:

Clarity - Define your unique leadership DNA.

Confidence - Develop your leadership strengths with the right tools.

Community - Immerse yourself in a group that will help you grow as a leader and a visionary.

Format:

The Doniphan Leadership Institute is an integrated program tailored to individuals who want to be the future leaders of their organizations. The program consists of six one-day sessions that are held over a six-month period. There are over 100 hours of combined classroom instruction and out-of-class assignments.
