November Innovation Presentation – Date TBD

The Innovative Leader Institute (ILI) builds on an organization’s existing leadership talent by developing managers in the art and science of creating new ventures and bringing new ideas to reality.

Participants will develop the skills and competencies to improve their own organization by learning the process of creating and implementing value-added services and products.

The ILI is designed and delivered by experienced intrepreneurs for individuals and companies who want to be internal change agents and bring new enterprise and innovation to the workplace.

The program consists of six, once-a-month, full-day sessions from June to November. ILI is delivered in a cohort model, including individual coaching sessions and an Innovation Presentation Luncheon to your key stakeholders.
